EVERYBODY PREPARING FOR A

BIG FEAST TO-MORROW. THE MARKETS WELL PATRONIZED

Extra Menus Will Be Served at the Hotels and in the Elecmosynary and Penal Institutious-Turkeys and Vegetables in Abundance.

As Christmas draws on space visions of roast turkey, plum-pudding, mince pies. and the other concomitants of a first-class Christmas dinner are floating through the average mind, and everybody is making preparations for enjoying themselves to the full extent to-morrow. Christman without a good dinner is no Christmas at all, according to the more improved notions of that holiday, and as the good hous wives of Richmond thoroughly appreciate this fact they have been for weeks preparing for the dinner which they

will serve to their families to-morrow. Plum puddings have been boiled long age and hung up to dry; fruit cakes and every other kind of cake known to the human mind have been baked and put away for to-morrow, and the markets have been invaded for the past two or three days until the butchers and hucksters and stall-keepers generally have been put to their wits' end to get enough meat an vegetables with which to supply the demand

PRICES REMAIN REASONABLE. Notwithstanding this, prices have not advanced, and a good Christmas dinner such as poets have sung of, may be purchased at a very reasonable price. Turkeys, the one fowl which is annually sacrificed for the Christmas dinner, are selling for a shilling a pound, and some choice ones were displayed in the market yesterday. Chickens bring 10 cents pe pound, spiced beef is selling for nine pence, as is also tongue, corned ham, and

pence, as is also tongue, corned ham, and smoked ham. The choleest rounds are also selling for ninepence.

Ducks are bringing 15 cents per bound, and old hares are being sold in abundance for 15 cents each. In the vegetable markets cabbages are selling for from 5 to 8 cents a head; covery from 5 to 40 cents per bunch; frish potatoes, 60 cents a bushel; apples, 75 cents to 82 per barrel; cranberles, 16 cents a quart; peas, 5 cents a quart, and beans, 85 cents a bushel.

These prices were willingly paid yesterday by the thrones of purchasers who pushed and wedged their ways through the markets and eagerly bought where the best goods could be found for the Isast money. The markets closed at the usual hour yesterday, but, as is customary on Christmas-Eve, they will remain open throughout to-day and until late to-night in order to accommodate those who have not yet held in that holds, samples. in order to accommodate those who have not yet laid in their holiday supplies.

PROVISION MADE FOR ALL. Private residences are not the only places where good Christmas dinners with be served to-morrow. The hotels and boarding-houses throughout the city have prepared elaborate menus for the one meal of the year which all look forward to enjoying, and in all the electrosynary and penal institutions of the city extra menus will be served to the inmates.

The old solders at the Lee-Camp Home will be given a first-class dinner, consisting of stewed oysters, roast turkey with cranberry sauce, roast shoat and apple sauce, Brunswick stew, baked ham sweet potatoes, cold slaw, Irish potatoes, mixed pickles, celery, chacese and crackers, oranges, apples, bananas, nuts, confectioneries, raisins, mince pie, fruit cake, bound cake, current cake, chocolate cake. pound cake, currant cake, chocolate cake, sponge cake, tea, coffee, and cigars. The coysters to be served at this meal were donated by Pickett-Buchanan Camp, of

Superintendent Dayls will serve a special dinner to the inmates of the almstouse, and will on Monday night give them an entertainment, at which refreshments will be served them. The dinner to-morrow will consist of roast turkey, corned beef and turnips, baked sweet po-CONVICTS FARE WELL.

The pentientiary is a cheerless place, at best; but to those convicts who behave themselves the officials try to make it as plensant as circumstances will admit. It is, customary for a special Christmas dinner to be served there each year, and to-morrow will be no exception.

The men and women will be given a day's rest, and a dinner of pork-ple, apples, and cakes will be served them. In addition to this, those who have worked overtime and have money to their credit in the office, can have made for them. in the office, can have made for them selves in the prison kitchen anything the want. As a great many of the in-mates have overtime, the cooks have been busy for weeks, making special orders of cake, etc., and there will hardly be one cell in the prison to-morrow in which a cake is not cut. An enter-tainment will be given in the chapel in the afternoon, and those convicts who care for it will be regaled with accred music and an interesting pro-

victs who care for it will be regaled with garred music and an interesting programme of exercises.

The usual dinaer for holiday occasions will be served at the city jall, and Deputy-Sergeant Claiborne Epps was engaged yesterday in purchasing the various meats and vegetables which will be served to morrow to the guests of the Metal de Force. Hotel de Epos.

FOR THE ORPHAN BOYS. FOR THE ORPHAN BOYS.

Mrs. Gill, who is ever thoughtful of the boys entrusted to her care at the Male Orphan Asylum, has made all preparations for giving them a glorious time during Christmas week, and the little fellows are already whetling their appetites, and looking forward with great relish to the good things that are to come when Santa Claus strikes the city. Tonight every one of them will hang up his stocking, and Mrs. Gill, who has been in communication with Santa Claus, has assurance from that good, old gentleman that every stocking will be filled before morning.

that every stocking will be filled before morning.

The boys will be given ample time on Christmas merning to go through their stockings and examine the things that came from the other fellow's stocking, and they will then be assembled in the chapel, where a praise acroice will be conducted. Those of the children who have relatives in the city will be allowed to visit them for awhite after breakfast, and when all have reassembled in the saylum a Christmas dinner will be served. Firewor's will be discharged on the 19th (next Tuesday) the frolic will be brought to a close by a Christmastree celebration, and Santa Claus will play a return engagement, bring up the boys such presents as he thinks best for them. The board will meet on this occasion, and, after the entertainment, a big dinner will be served, as only Mrs. Gill knows how.

BASKETS FOR THE POOR.

BANKETS FOR THE POOR.

The poor of the city, whose name is legion, and who are scattered from one end of the town to the other, will not be forgotten to-morrow. The various church societies are looking after their poor, and the benezolent of its and people not attached to such orders are attending to the wants of the really needy. Hundreds of bastets containing provisions for a Christmas dinner will ge forth to the poor of Rehmand to-day, and 20 of them will be distributed by the nobles of Acca Temple, Mystic Shriners. eritical time; a quarter of a minute is worth saving. Millions may be lost in that time. When anyone is sick every instant is precious, particularly at the beginning before disease gets any headway. When you first begin to feel "below the mark"; when you are not getting all the strength you need out of your food, when you are languid and indisposed, it is time to try the toning, strengthening effect of Dr. Pierce's Golden Medical Discovery. It "extinguishes" disease by making rich, healthy blood, full of the life-giving red corpuscles which drive out life-giving red corpuscles which drive out disease and flood the vital organs with fresh vitality.

Every disease which has its seat in the blood is cured by this marvelous "Dis-covery" after all other remedies have failed. Its effects seem little short of reiraculous in curing obstinate, chronic turoat and bronchial difficulties and even

"Run-down" people, delicate women, pale and puny children gain flesh, strength, color and nerve force by using this marvelous "Discovery." It does not make flabby fat like so many "emul-sions," but hard, healthy, muscular tis-Jues. At all medicine stores.

THE NATURAL WAY CARTER'S

TO CURE

INFLAMMATION.

Inflammation is the sustaining element of the great majority of our physical lils. Alby this inflammation, and the pain ceases, the flesh, muscles, and tendons esume their normal condition, and the resume their hormal condition, and the violence of the attack is at an end. It follows, then, that the first step in a successful assault upon disease is to destroy any existing inflammation, and with it the pain. This accomplished, the patient

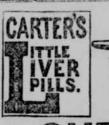

stroy any existing inflammation, and with it the pain. This accomplished, the patient is at case.

This is the natural mode of procedure, and kindly Nature has furnished the means to that end in certain roots, barks, and herbs, which, in their due proportion, are constituent parts of Lightning Hot Drops, the greatest pain panacea ever known to medical science.

Freely applied to a cut, bruise, burn, scald, or flesh-wound of any nature, Lightning Hot Drops will absolutely kill the pain, prevent all inflammation, and quickly heal the lacerated flesh. As an instance, what is more painful or distressing than a mashed finger, with the nail torn loose? In such a case Lightning Hot Drops gives complete and immediate ease from pain. It will smart and burn for a few minutes when first applied to fresh cuts, sores, etc., but a few applications will take all the soreness out and heal the cut or sore. The 50 cents size contains two and a half times as much as the 25 cents size. Lightning Hot Drops is prepared by Herb Medicine Company, Springfield, O., and no honest druggist will offer you anything else. no 28-Th&Tut Je 23
